

Preschool Day Program Lead

Position Overview

We are seeking a nurturing, energetic, and organized Preschool Day Program Lead to oversee and support our early childhood gymnastics and education program. This role focuses on creating a fun, safe, and developmentally appropriate environment for young children while assisting coaches, coordinating classes, and ensuring a positive experience for families.

Key Responsibilities

- Coordinate and support preschool classes (typically ages 3–5 years)
 - Assist coaches in leading age-appropriate activities focused on motor skills, coordination, and basic gymnastics fundamentals
 - Help develop and organize lesson plans and class structure to include academic activities
 - Ensure a safe and welcoming environment for children and parents
 - Communicate effectively with parents regarding class expectations and child progress
 - Manage class flow, attendance, and transitions between activities
 - Train and support junior staff or new coaches in preschool programming
 - Assist with special events, camps, and themed preschool activities
 - Maintain cleanliness and organization of equipment and gym areas
-

Qualifications

- Experience working with young children (preschool, daycare, gymnastics, or early education)
 - Strong communication and interpersonal skills
 - Patient, positive, and engaging personality
 - Organized and able to manage multiple tasks at once
 - Reliable and team-oriented
-

Preferred Qualifications

- Background in gymnastics, dance, early childhood education, or related field

- Experience leading or coordinating preschool programs
 - CPR/First Aid certification (or willingness to obtain)
-

Work Schedule

- Part-time or full-time depending on program needs
 - Morning and/or early afternoon availability preferred
 - Some evening or weekend hours may be required
-

Physical Requirements

- Ability to actively engage with young children (sitting, standing, lifting, spotting)
 - Lift and assist small children safely
 - Stay active throughout classes
-

Why Join Us?

- Positive, child-focused environment
 - Opportunity to shape early childhood development
 - Supportive team atmosphere
 - Growth opportunities within the program
